

Town of Hempstead, Nassau County Dog Owners

We, the undersigned citizens, taxpayers and dog owners of the Town of Hempstead, Nassau County are increasingly frustrated by the “no dogs” rule at our town parks. Dog friendly parks will provide more options for our residents to come together as a community and to socialize and exercise our dogs.

We hereby petition the Town to equalize access to parkland so that dog owners can walk their dogs on-leash and go to off-leash dog parks where they can exercise their dogs in a safe and secure environment.
